If the above personnel cannot be reached, contact:

Office of Emergency Services Warning Center (24 hours) (800) 852-7550 or (916) 845-8911

When reporting a water quality emergency to the Warning Center, please ask for the Division of Drinking Water Program Duty Officer.

NOTIFICATION PLAN

Describe how you will notify your water users of emergencies.

Upon notification by Division of Drinking Water that a danger to the health of water users exists the following notification procedures will be taken by District Staff. Phone contact to: Solano Dept. of Resource Management 707-784-6765. Notify the local Radio Station (KUJC) in Vacaville 707-446-0200 to notify listeners. Notify The Reporter, a Vacaville daily newspaper to issue a press release 707-448-2200. For situations of water quality degradation in isolated areas of the distribution system, when feasible and timely, a door to door notification would be implemented with District Staff, leaving written notices at individual homes and businesses.
